## **PRESS RELEASE**

### **ElectronicNetwork takes further steps within its realignment**

**ElectronicNetwork, German EMS supplier, sells company shares of its Limburg site.**

The ElectronicNetwork group informs in the context of its realignment about the sale of its company shares of the EN ElectronicNetwork Limburg GmbH and the with it associated spin-off from the ElectronicNetwork group for the 1st December 2009. The company shares are being taken over by the two general managers in Limburg Rüdiger Hornhardt and Gerd Ohl.

From January 2010 the former ElectronicNetwork site in Limburg will appear under its own name within the Electronic Manufacturing Services industry in Germany. Services like IT, Accounting and Human Resources will be furthermore sourced from the ElectronicNetwork AG.
